

## **Minutes of the Meeting of Sedbergh Parish Council Queens Garden Committee held in Queens Garden on 20<sup>th</sup> Feb 2013 at 14.00.**

### **Present:**

Cllr Thomson and one member of the public

### **Apologies**

Apologies were received from Cllrs Allan and Jameson.

### **Review of management and improvements**

The meeting reviewed the current maintenance work and the improvements being made to the picnic/grass area and the performance area.

The maintenance work being done was considered to be appropriate for the area within the budget restrictions. Some pruning of trees and bushes was being done on the East side where they overhang residents' properties.

The improvements were considered to be in line with the management plan and would, when completed, add much to the attraction of the garden.

### **Parks for People**

The meeting was updated on the progress with the application to 'Parks for people'. The current position was that a pre-application submitted had resulted in the grant providers requesting to visit the site to see if a full application was likely to be funded. This visit is to take place on 27<sup>th</sup> February.

### **AOB**

There was no other business.

### **Date of Next meeting:**

Agreed as late winter 2014 – exact date and time to be agreed..
