ACKNOWLEDGEMENTS

We have been fortunate in working with members of Sedbergh Parish Council, who have been extremely helpful at all stages. In particular, we should like to thank Jim Atkins (Chair of Council), Ann Allan, Kevin Lancaster (also Sedbergh & District History Society) and Ian McPherson (also Yorkshire Dales National Park).

Our task has been greatly assisted by the topographical survey commissioned by the Parish Council from Christians Ltd., Land & Engineering Services. Janey Hassam, Parish Clerk, has helped us to liaise with our colleagues, especially with the surveyors.

We should also like to thank Sandy & Beth Roy, who live near Queen's Gardens, and who were kind enough to host and provide refreshments for our first meeting, at their house.
